Dear Sir:

Please find enclosed a copy of the report on analysis for the sample collected on July 28, 1977 from the waste treatment facilities serving the Lakewood Mobile Home Park.

You will note that the sample results indicate that the discharge exceeds the interim limitations by a considerable amount. For this reason, Ed Sears and I plan to inspect the facilities in an attempt to determine the problem. We will contact you prior to our visit.

If you have any questions, please advise.

Yours truly,

Charles L. Kroeger
